MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 2 to Contract No. CT-511 with  
Granger Associates, Project CHALICE

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. CT-511 is an Open Call Type Contract to be used primarily by the Project Depot for purchase of spare parts, test equipment and modification kits in support of the repeater jammer equipment previously procured for the U-2 aircraft.

3. Fiscal Year 1961 CHALICE Funds, when available, in the amount of \$15,000.00 should be obligated to cover the extension of the period of performance through 30 June 1961. This amount represents approximately half the required funding for FY-1961. By concurrence to this memorandum the Comptroller signifies that the obligation from CHALICE funds has been noted and will be recorded when funds become available.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 [REDACTED]

[REDACTED] The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) - see 85-507 dtd 7/7/58) for each contract.
